Re: Custody Record Number: 42EZ/408/26

Custody station: Colchester

AS Number: 26/0000/00/152319K Constable in the case: PC 42 78944 WEST

Dear constable 4278944 WEST.

There is a difference between “Arrest”, and “Assault”, the distinctions of which, I believe have become somewhat blurred via the lens of 'modern-day' policing.....But, let me just remind you that 'Section-18 GBH', is, as you are well aware, a very serious charge.....most Section-18 GBH cases typically attract 3-16 years tariffs In prison, and, I'm sorry to tell you that my footage CLEARLY shows you assaulted me “With Intent”, as I exited the vehicle to LET YOU SEARCH FOR DRUGS.....I said, on Camera:

“Okay, here are then I tell you what, ill just get out and you can search the van...” I opened the door and got out, proffering the vehicle key in my right hand as I did so, and I was instantly assaulted, by YOU, this was recorded on my dash-cam, its very unambiguous WEST, you have actually fucked yourself right up mate.

You see, when you stopped me, I started recording as I know what you cunts are like, crafty and sly, using underhanded tactics to gain joinder, and Blacks Law lingo to wrap people-up in

Gobbledygook Bollox, jargon to get the signature you need to access peoples 'Cestui Que Vie Bonds'. Trust me I know all about it, iv written 900,000 fucking words on the subject, so I am an 'expert' on this topic, trust me.

From our brief interaction I can see that you know 'NOTHING' about “Law”.....but you do know plenty about Acts, Statutes, & Policy's.....so all you know about in 'Policing', is how to actuate the fraud, in a 'Legal' way.

I have a lot to cover here, and I will try to keep it as short as possible as I know you are all so terribly busy, and understaffed. But there is lots of important information here for you in this letter. Some relates directly to you, some to your colleagues, yet it is all highly relevant.

st

When I left your safe and competent custody on the 31 January 2026, after my interview, which, let me just add here, is pretty fucking obvious that I do not agree with any of the charges that you fraudulently charged me with, but, first things first.....

When I left the station, discharged by constable 42 2574 REDGEWELL

I DID NOT SIGN that screen to 'agree' that:

“I understand that I have been released on bail and must surrender to the police station.....”

Did I fuck sign the screen for that reason you piss-taking & fraudulent cunts, fuck what you fraudsters try to 'bend-it-all-into'.....piss-taking cunts.

As you will see, and hear, from the recording on CAMERA by 42 2574 REDGEWELL body-cam, and the other constable presents, body-cam.....plus the static cameras around the desk, you will clearly hear constable: 42 2574 REDGEWELL, inform me:

“Don t worry Leon, you don't need to go to court, and your not on

th

bail, but the CPS would like to speak to you at the station on the 4 of march....I just need a signature for your property....”

That, ALONE, is the reason that you got my Signature when I left the police station.....AND FOR NO OTHER REASON other than for my Van key, Driving Licence, Gem-stone Necklace, & 94 pence British currency.

NOT FOR MY “UNDERSTANDING”, of anything, you piss-taking cunts!!!! I wasn't even given the paperwork to read, before I signed the fucking screen..... for my 'Property', NOT, for the fucking paperwork & charge sheet-filled bullshit that you “Arrested” me for, you fucking fraudulent schmuck-cunts. You can fuck yourself, in a very big way.

After the 'Interview' I gave, do you seriously think that I would agree to those fraudulent charges???

Do you actually think that “Lying” to obtain false consent, is actually a part of your 'Police' work?.....Really??? That's 'Okay' with you, is it???

Lying, to 'shoe-horn-in, a false 'Statement' to:

“Obtain money via deception”

And to be guilty, of

“Aiding and abetting in a Treasonous Act”

Let me remind you that 'Treason', itself, is still punishable by death, you fucking fools.
And don't forget:

“Gross Misconduct in Public Office”

(Malfeasance/Misfeasance/Nonfeasance in Public Office)

Lets not forget:

“Ignorance of the Law is no excuse”.

And this applies to you, also.

YOUR Charges, at this moment:

Impersonating a Police Officer x 3+

Assault, Section 18 GBH x 1-3 (Awaiting footage, Names & Numbers)

Kidnap

Wrongful Arrest

Wrongful imprisonment

Gross Misconduct in Public Office

Aiding And Abetting in a Treasonous Act

Trying to obtain money via deception

Constable WEST, I tell you now mate, you have already lost your job, and I will see that you get jail time as described in the sentencing guidelines for all criminals, as well as selling your home to pay me compensation for my unlawful treatment, and, your unlawful activity during that time, which, is currently at £150,000.00 GBP x 3 constables, 'so far' that will certainly increase with the added stress & mental anguish that I am suffering from, because of it - Plus 2 others, apart from you, whom I am awaiting their names and numbers...? soon as possible please WEST because I want to get this going before you all get stood-down and arrested in the coming few weeks.....you only have about 6-8 weeks before you are stood down anyway.

I will send you the fee schedule when you are charged. Please let me know who will be representing you in court? You will need to Email me their name & contact details to my email address above.

'Common Law', can be understood to be the 'Motherboard' of "Law".....but what has happened is that: Acts/Statutes, & Policy's have been inserted onto the 'Motherboard' to subvert its true purpose for the means of generating vast amounts of unlawful 'Revenue', Unlawfully, or by: "Obtaining monies via deception", as its more commonly known. You see all you fools are just doing what you were taught to do in police training.....no one told you that it was all unlawful, did they? Well that's

why your understaffed these days, that's why your colleagues have all disappeared these last few years.....because 'Ignorance of the Law is no excuse'. (I shouldn't need to tell you that)

The reason your colleagues are in FEMA camps, as I explained several times during my arrest, is because although 'most' police have nothing whatsoever to do with freemasonry and no nothing whatsoever about it.....all the seniour police right down

rd to colchester police station.....are all 33 degree freemassons.....and as I said, to

rd become a 33 deree freemasson you must kill a human child, on camera.....those police

rd who have not killed children, and are not *33 degree Freemasons, and are indeed only there to “serve” the public interest, they are still however carrying out FRAUD & Abuse of powers on a daily basis.....some of them go about this in even a more 'heavyhanded' fashion than you treated me in (!) its these constables who were removed first (after the chiefs all went a few years ago).

Dont forget that to be a 'Sir' / 'Lord' 'Dame' etc, you first must become a 33 degree Freemasson rd

th rd *a Freemason will only learn about Satanism when they reach 29 degree of the craft.....but it is at 33 degree that they must fully commit to child sacrifice, this is so that they can be tightly controlled for ever more, as once they have killed a human child on camera, there is no going back.

Policing, same as in Nursing, Education, Big Pharma, Media, Politics, News, etc etc, is rd controlled from the Top-Down, by 33 degree freemassons.....all of it.

Its easy.....to understand the mechanism, constable WEST.....all you need to do, is make rd sure that every senior role, in every single police station, is held by a 33 degree rd Freemason, each of whom have killed at least ONE child to be a 33 degree in the first rd rd place.....these 33 degree freemassonic police, work with 33 degree freemassonic

rd rd Judiciary, who work with 33 degree freemassonic Social Services, who work with 33 Degree rd CAFCASS, Prison System, Education, manufacturing, industry, health, food, transport, entertainment, media, news.....

As I have such deep-seated distrust of the police in general, I chose to keep the window ajar to avoid 'Joinder'. I was reluctant to get out of the van because 2 years ago, I had police interaction by

up to 14 police from Clacton station, who broke into my home unlawfully, with no fucking warrant, refused to identify themselves other than “POLICE”, and then assaulted me after gaining unlawful access by kicking 2 doors in, and attacked me with Parvo CS gas and Batons....in front of my then 73 year old mother who filmed all on her mobile phone.

So this time, knowing far more than I did previously, I observed the Law, and opened the window slightly. I satisfied the parameters for the Stop in the first place, (The Ipswich incident that generated the fraudulent “1988 Road Traffic Act”) and I explained to you what I had done to rectify the situation, & what I did the following day (wrote to the owner of the bin, a copy of that letter I sent to the police 3 weeks ago), and also that I had been in touch with the police about this matter just 3 weeks prior. and at that moment, you decided to use one of the oldest tricks in the book....

”I think I can smell cannabis??” - You could smell aftershave, as you mentioned, as I was wearing it, and although I had cannabis in the van, I know you couldn't smell it, because my 2 female passengers, cant stand the smell of cannabis, one said: “No way did he smell cannabis! He was just lucky!, if i'd had smelt the faintest whiff of weed, I would have told you to move it as it makes me feel ill smelling it”.

So lucky one there WEST, but what prompted you to say: I think I can smell cannabis?” was only the fact that you didn't like the fact that I declined opening the window fully, when asked by you.....you lost 'ownership' of the situation at that moment.....so you moved on to 'Oldest Trick in the book #1' in trying to 'claw' back your lost power.....and as you will see from the recording of this interaction, which I'm just about to post online to our 4 million viewers, that I complied with your requests. I got out to let you search...I was immediately assaulted! And then after, I was arrested! Its on camera mate.....I just need your footage now as well please.

And my 'Alleged Offences” (!!)) You pathetic fraudster!.....lets go thru that now:

'Assault – on emergency worker'

'Obstructing powers of search for drugs'

'Possession of knife/bladed article'

Drugs Possess – Class B or C

'Driving Excess Drugs'

Assault on emergency worker'

1. Assault on emergency workers x 2.....As you will see from my footage, and yours,I complied, I exited the van with the key in my hand for you. You, assaulted me, of course I resisted, I know you are breaking the fucking law you div, of course I am going to be angry at being assaulted whilst complying with your requests!
You fucking IDIOT.
2. Obstructing powers of search for drugs....As you will see from your footage, and my own.....i willingly exited the van as described above. SO HOW THE FUCK IS THAT "Obstructing"??? YOU FUCKING MORON.
3. Possession of knife/bladed article.....as you can see, I was living in my van for 4 months in the summer, we were camping at camp sites...like I said, we were travelling the country documenting POLICE FRAUD & CURRUPTION for the last 4 years, and the 'Great Awakening' - I have about 20 different knives in the fucking van, its a work van....I bought the Axe from B&Q..OR DO YOU THINK I
NEED A FUCKING LICENCE TO BUY AN AXE FROM B&Q YOU FUCKING FRAUDULANT MUG? The 'Bladed article' in the cab, the double blade thing, is a decorative knife with no sharp blade, that my mate bought me in cape-town in the 1990s, id found it in the toolbox in the van, and thought to give it to my
th pals son for his 16 birthday – he's into assassins creed and Long Bows right now. But you stopped me before I could give it to him.....hes the brother of the young girl I was escorting.....I would have given that 'Bladed Article' to him the same evening you took it off of me, we were only 200mmeters away from their house, when I was assaulted by you.
4. Driving – Excess Drugs.....how would you even know I had excess drugs?....what drugs?.....cannabis??? I already told you in interview, I don't smoke weed when i'm taking my pals wife and daughter to dance class.....so I hadn't smoked that day, and I was NOT tested.....so how do you expect that to stick?

All the 'Alleged' 'Offences' simply do not exist – they are merely YOUR lame attempt to get 'something' no matter what it is..... BUT I DO HAVE CLEAR EVEDENCE OF YOU ASAULTING ME.....WITH CLEAR INTENT.

Il send a copy of this letter to the CPS as well, to keep them on the same page as to my requests: all the body-cam footage & discharge desk footage, even the static camera on me and constable 42 2574 REDGEWELL, at the desk when he discharged me after entrapping me with lies & yet more fraud – this will not work on me and you all made a big mistake because I am not your average

mug....i did let myself down signing for my property though, because as you will notice, I SIGN NOTHING, EVER with the police, he caught me off guard with a clever manoeuvre.....well, im not wearing it, and I will have that cunts job for certain, the fraudulent cunt is in PUBLIC OFFICE using unlawful tactics to obtain money via deception, is what he ultimately did, as did you.....all 3 of you involved.....but it was only you 3 who assaulted me.

FYI – I am very well know in the cannabis industry, I am have 10 'documented' “All Clears” on cancer, 5 of those “all clears” were on terminal patients who had chemo twice and were not expected to live longer than 6 – 18 months, the hospital sent them home to die, yet because of me they are all still alive....10 years later. One of those clients was a 6yr old girl, the oldest an 83year old man. I have written several books on cannabis & curing cancer easily with many other natural therapies, & I have astounded several consultants, and embarrassed even more. Because I am also a Naturopathic prescriber, I can cure many ailments that hospitals and Gps cant....because Big Pharma 'mask' the symptoms with meds.....because they need re-peat customers, there's no money in 'curing' people, but naturopathic medicine is harmless and 100% effective.

From 2014 onwards I have been legally involved in the cannabis industry, I worked for a Macedonian pharmaceutical company designing 20,000+ m2 state-of-the-art indoor cannabis facilities costing 30 million+ euros, because I have been growing weed constantly since 1992.

Forget what the law says about driving on cannabis, forget it mate, I am more knowledgeable on cannabis than 'most' experts.....Science proves beyond any shadow of a doubt, that cannabis makes drivers more spacially aware, with enhanced awareness of vehicle velocity, & less prone to road rage, and “Drivers” who have cannabis in their system, don't die of cancer. It is in no way associated with the dangers of driving while under the influence of alcohol.....its just very convenient for unlawful revenue reaping purposes.

So, even if I had been smoking that day?

All of YOUR police work, is actually geared around unlawful revenue reaping, of which you and your ilk are apart of. You must have heard of the measures against “Cartels” introduced, I think it was 2017?.....these new measures were not discussing South American Drug Cartels....No.....The Police....CAFCASS.....BIG PHARMACEUTICAL.....SOCIAL SERVICES.....these and more are the Cartels being

hit.....and Colchester Police Station, along with all the others in the country, are under scrutiny for the last few years, as I said in interview:

Some of the new & regular faces in your working life this last few years, are not 'New Police'.....they are white-hat personnel, installed there to work with, observe and report back on all police corruption.....of course you didn't know this, you were not meant to.....obviously.

The 'White-Hat' military that I keep referring to, is basically a section of world military in their respective countries, who are working with, and under the guidance & supervision of the G.A.A (that's a whole long story beyond the scope of this short letter) It is the white-hat military who are orchestrating 'Central Casting' and the takedown of the Deep state / Cabal / call it what you want.

'White Hat' Military, are just regular military who have sworn an oath to 'New' Bosses.....this 'Oath taking happened in 2016.....10 years ago now. Senior White-Hat Military are mostly comprised of Naval staff, missions and tactics carried are comprised of agencies such as Seal Team 6 in the US, and 'Spetsnaz' (Russian elite special forces) plus several others.....NO SAS were used because their heirachy was also involved and was a deep-state asset itself. The British Amy was 'mostly' not used for the same reasons.....too compromised at senior level.....you see WEST, look what killing a child

ON CAMERA can do.....we have a situation where the senior top brass of the British military, would rather sell the public out to genocide, than have the world see them committing child sacrifice on camera.....its so so easy to see how this works. But, let me not digress.....

You are all being observed, all the time, for the purpose of deciding who gets removed, and when.....at all times the most danger is removed first, so for instance, All danger to children was destroyed to start with, all the trafficking hubs, D.U.M.B.S and the clients of Adrenochrome.....2.5+ million 'Celebrities' were executed at home during covid lockdown, in isolation, and unable to spread the virus that they administered themselves.....the 'REAL' and Patented COVID-19 virus, the ONLY place that the actual 'REAL' COVID-19 Bioweapon actually went, was into the last batch of adrenochrome. It was added to their last batch.....because the White-hat military intercepted that last consignment, and tainted it with the man-made & Patented COVID-19 Virus.

The “COVID” that the public thought they had, was merely a PCR test set to cycle 40 times.....making any harmless & dead genetic material, show a 'Positive' on the results....95% 'False

Positives' are the reason that the public shit themselves and wanted a "Vaccine".....it was only the celebrities who got the real virus and died in agony at home in isolation during lockdown.

That was approx 2.5+ million lower-ranking celebs (worldwide). But all the Royals, Politicians, super-celebrities, the ones always on TV or in the media, music, or show biz, David Attenborough, Ed Sheeran, Ant & Dec, Warren Buffet, George Soros, 'whoever' could be a Bollywood star, or a Tech Mogul.....every single person who is 'really famous' in any country, planetwide, and in any field, or ANY industry, was directly involved in Satanism.....that is the only reason that you are familiar with their faces.

But all these 'Elite' people were tried at Military Tribunals that ended in 2022-ish, there will still be trials going on, but all the top elite from 'everything' have already been executed. 'Sir' Mark Rowley was executed in 2017....replaced by prosthetic skin suits, CGI, or body doubles with minimal make-up and voice modulators to replicate speech...highly advanced technology has been used to replace 200,000 key public figures.....200,000 'actors' are in this movie....a real life movie unfolding in real-time. Its an amazing time to be alive WEST.

Do you know what Adrenochrome is? Shame on you if you do not? Adrenochrome is the product of torturing & terrifying a mammal, whilst prolonging its pain and suffering for as long as possible. Any mammal will produce Adrenochrome.....humans adults adrenochrome is aparently better than that from a Cow, ...but HUMAN CHILDREN.....their Adrenochrome, their fear is pure, their pain is far more painful in experience than an adult.

So CHILDRENrd were the 'Crop' – that's why 33 degree freemassonic Police, worked with 33 degree freemassonic CAFCASS & Social Services NOT JUST IN THE UK, BUT WORLD-WIDE in their respective agencies, in America it is the CPS (Child Protective Services) were doing the 'work'.....

60% of 9,000,000 NINE MILLION CHILDREN PER YEAR were taken for sacrifice, sex, adrenochrome, organ harvesting BY THE WORLDS AGENCIES THAT WERE SET-UP TO PROTECT CHILDREN.

Adrenochrome is the most expensive drug in the world, and it only comes from torturing children, its not as potent if you torture adults.....so the elites preferred children.....9 million children per year

were going missing around the world, and 60% of those poor children were removed by CAFCASS & Social Services.....they were all rd rd

linked in this thru being 33 degree Freemasons and 33 degree CAFCASS bosses rd rd rd

and 33 degree head teachers working with 33 degree judiciary, and 33 degree police chiefs.....all working together in fraud and child torture, crime and tyranny.....and YOU, WEST, are a part of that. Proud? I wouldn't be.....if I were you mate, id sling my warrant card on the table, hang your boots up, and go home, hug the Mrs and kids, and say:

“Iv quit work darling, iv had to, there's trouble coming at the station, arrests are imminent, and I think I may have accidentally got myself involved in it? Sorry kids...Daddy might be going away for a while.....”

because the longer you stay there doing things like you did to me last week.....well, your absolutely fucking yourselves by 'Policing' in that manner. It is totally UNLAWFUL from the outset.....lie after lie, I complied and got out the van.....you assaulted me

(Section-18 GBH), then arrested me.....and I am taking this further because now I know I have full backing of the White-hat military.....you see its people like you, who “WE” are here to remove.....you just happen to be in the way, WEST...step out of the way, by retiring early, or quitting, change jobs, or go on State Benefits, trust me its only going to reduce your humiliation at being publicly arrested in a few weeks time by white-hat military, which is what will happen.....stood-down, and then arrested at home in front of the family by foreign military personnel.....some of you will be arrested at work, but 'mostly' it will happen after you are stood down, and at home. Quit now, or carry on making it worse for yourself.

You cant use Fraud and 'entrapment' to bail someone.....or didn't you realise that WEST? And this brings us nicely into why all the police who are not child-killing Freemasons, are also removed and in FEMA Camps (FEMA = Federal Emergency Management Authority) These are repurposed areas, some inside existing buildings, some in a 'Camp' scenario, but they are all basically 'Pop-Up' prisons.

The FEMA camps were to house the 'non-vaccinated' people who refused a covid shot, FEMA camps were the Deep-states last location for 'trouble makers' who do not do as they are told by the Adrenochrome junkie governments....BUT.....fortunately for

'Us'.....they are now filling-up with police, teachers, GP's Nurses, Social Services and CAFCASS staff.....and you lot haven't even been stood down yet!! lol. The closest FEMA camp to you, WEST, is near Braintree, ESSEX. Have a look? Maybe choose your own cell before the masses start turning-up in few weeks time?

You see, these “Asylum Seekers” that have been all over the news for the last few years.....95% of these: “Men of fighting age”, are not asylum seekers.....they are Foreign Military personnel. Here to arrest you lot, and the Teachers and Gps etc, Doctors, and Nurses, local government and sub-minion-level council workers, who were: “Just doing what I was told to do” - or “Just doing my job”.....its no excuse whatsoever.

They are the same people who would have been going round peoples homes asking for proof of vaccination, the unvaccinated would have been taken immediately and put in a FEMA camp....BUT they do not know anything of what I say in this letter, they, like you, are “Just doing my job”....the same people who would have been doing that, are now the people who will be tasked with 'mopping-up' all you dodgy police who think that your uniform places you, and your actions in some way 'above' the Law, and also the Teachers and Gps, nurses etc etc who carried on jabbing people AFTER “Died Suddenly”.

“Died Suddenly” was one of the main aspects to the 'Sting' operation. The public was scared to death of covid, but the health care system knew it was the quietest time that any hospital had ever seen in the history of Nursing.....”Died Suddenly” was so blatantly “Covid Vaccine Death” that it literally beggars belief that you all went along with it as if “Dyeing Suddenly” a week or two after vaccination, was a regular part of society. My 10 year old Godson realised that Died Suddenly was obviously caused by the COVID “Vaccine”, he was only 10 years old at the time, he worked it out because he's mad into football, and in the first 6 months of vaccine rollout, 180 pro-players had DIED ON THE PITCH whilst playing football, after vaccination. Its not 'Rocket Science' is it, WEST.

Have you lot received your 'Standing-Down' dates yet? I know that some of you have, I am in contact with a few police constables, decent men who are now in the Commonlaw space, realising that “Just doing my job” was going to get them in a lot of trouble when the vaccine came out – you see 'we' know.....we don't 'Think', we do not 'assume', we KNOW the truth now, WEST.....

Where where you, by the way, when the public you swore to protect, needed you, needed you to see the obvious....."Genocide".....but you all went ahead and facilitated it

You are all only weeks away from arrest yourselves, you fucking idiots. Dont you cunts watch the news? You havent heard of a place called:

“Epstein Island”?

Its coming out in the news as I type this....Prince Andrew, “Lord” Mendlesham, and a few others.....this is the tip of the iceberg WEST, these were not “Young women” being trafficked to Epstein Island By Prince Andrew.....they were CHILDREN....but you cant just come out in the media and say that on TV, it would cause mayhem, so they make it look like it was a woman in her 20's.....thats what “Lockdown” is for, In the next few weeks, the media will broach far more on the topic of Epstein Island case.....then there will be talk of 'War', & another 'Virus'....this is to get the public's attention away from Epstein Island.....at any cost, because all the famous people you ever heard of in your life, are on that flight list, including Donald J. Trump, and “Sir” Mark Rowley – I think I

rd
said in my interview that to be a 'Sir', Lord, Dame etc, you must first become a 33

rd
degree Freemason, and to become a 33 degree Freemason, you have to kill a human child, on camera, at that ceremony – then it becomes a regular practice especially at public holidays such as Halloween, Christmas, Easter, Thanksgiving etc.

Donald Trump was also a Satanist.....the original Trump was actually removed in 1989, in a helicopter crash, and replaced by the son of World War 2 hero: General George Patton.....so the man 'Playing' Donald Trump in the 'Movie', the person you think is Trump, is actually “George Patton Junior” (its a long story, WEST – a bit too much for you on a Monday morning, anyway) Trump is working with, and for the White-Hat Military – its the largest Military Sting Operation in the history of this planet.....and you, WEST, have your own special place in that sting opp. The 'Good Guys' won this 'War' a long time ago, what you are living thru now, is the public Revelations of these crimes. And its all just about to explode in a very public way.

You see, just as in Germany in 1946, the “Nurnberg Trials”, Police, GPs, Doctors, Surgeons, Nurses, Teachers etc etc.....they were all tried, sentenced, and executed, for the same reason as all of your 'Top Brass' have been executed.....”Genocide”, and all the other fraud and treason, crimes that are merely 'gears in the mechanism' of “Crimes Against Humanity”.

Soon, even your previously friendly neighbours will turn on you, and chase you down the street in gangs, when they realise what YOU TRAITORS have been compliant in, and helped facilitate, enabling the 'Deep-State' / Cabal, in their genocidal plans, whilst enforcing fraudulent Acts, Statutes & Policy's.....turning a blind-eye when it suits, making up charges as you see fit, entrapping, personage.....you are all fucked.

If you need to know the sort of person that I am, you can ask about 6,000 people if I am a good person, or a bad person? it is not for you to judge me immediately after assaulting me during the course of your unlawful interaction.....of course I am going to punch you in the fucking face you silly cunt, if you assault me first, OBVIOUSLY, **its called a “Fight” when you are assaulted for no reason.....**I have a right to defend myself from violent assailants who clearly intend on harming me.

with a wider audience of roughly 4 Million viewers worldwide.....you plebs are about to go viral with this fraud. And contrary to what you might expect, or assume....we do not need 'Likes' & Subscribers, we do this for free.....we gave away over £70,000.00 GBP in the last 18 months, to people who needed it, homeless, and people in poverty.....I was myself homeless at that time.....we dont do this for the money.....'This' (The Great Spiritual Awakening', is not a time to profit.

We have done over 2,000 videos, and much more on this topic, and many more.....enlighten yourself WEST.

See you on the 4th March.

And please send me a Zip file of the footage I have requested.....or put it on a memory-stick and I will come in and collect it. Please do this within the next 14 days.

In case you hadn't noticed, I remove my consent to have that signature used in connection with the alleged offences.....that signature was given completely out of context, I was assured that I was

NOT on BAIL, and assured that I NEED NOT attend court.....the signature was given only for my property.....lets not forget that:

I, :Leon-George: Sinclair, am the 'Equitable Beneficiary, named Estate Title Holder', I am not the Trustee.....I am a Living Breathing Sovereign Man, SO....therefore, at the 'Trust Meeting', which you lot call a Court, I, will be of the Highest Standing in the Court Room. Its MY personal Bond we will be discussing, after all. Also, I will be attending the
Police station on the 4th March, under 'Special Appearance/Attendance', only.

When I see the Magistrate, if he/she/they/them are brave enough, even they themselves are, by their own admission, as are you, 'Corporations', working for a Corporation.....A 'Corporation', is a 'Corpse Orating', or a 'Dead Entity Speaking'.....you, your colleagues, the entire 'Legal' system, and over 97% of the rest of the population, are also all corporations in your own indeividual capacities.....Your NAME IN BLOCK CAPITOLS is 'Capitus Demutia Maxima', a dead Latin script, not to be read in contextual text of a document, but to appear only as guidance notes, explanations etc.....when you see your name in BLOCK CAPITOLS, it is directly referencing your 'Straw-man', or facsimile of you, created off the digits on your Birth Certificate.....this used to be “Your worth your weight in Gold”, as back in the day the government set aside, in their coffers, your birthweight in gold. This was after the great fire of London I 1666, that's why its called the 'Cestui Que Vie Act 1666' Cestui Que Vie, simply means “I am Alive”.....Birth certificates were the governments way of starting this fraud that paved the way to Acts, Statutes, and Policy's, being yet more mega-fraud.

Now, every registered birth, gets an associated \$50 Million US dollars...even African Children get this...well, the children didnt, but their government can and did trade off the back of that poor childs valuable bonds, while the children, and adults, all starved to death and had no water.....DISGUSTING.

Ignorance was bliss WEST,

Those bonds are traded on, BIG TIME, when you are age 16 years and 9 months of age, when you get your N.I number, onwards.....my Bond, just on my Birth certificate, is £550,000,000 Million, the same on my Driving Licence, Same on my passport, you see they found a way to monetise all these 'official' documents.....so my total value is over

2 BILLION Dollars....yours will be much higher than mine, I know people who top out at 15+ Billion in total.....and that's the scam.....no one ever owed a penny in the first place, because when you took out a mortgage (Mort-Gage = 'Dead Grip') the moment you signed for it (like I did leaving you mugs, for my property, & not the alleged bollox, you stitch-up cunts) – And when you 'Borrow' money from a bank or lending establishment, you are NOT 'Borrowing' money that belongs to the banks, you are signing them access to transfer the full amount for the house, car, watch, holiday, loan, helicopter, wife's tit job finance etc etc, immediately over to the bank, FROM YOUR OWN BOND to pay the person on your behalf....ITS YOUR OWN money and yet you pay it back again, PLUS interest!!!

The court system runs on everyone Cestui Que Vie Bonds, the NHS is NOT funded by TAX PAYER money, it is funded by the patients Cestui Que Vie Bonds.....why do you think that they give you chemo that is highly toxic, costing £15-20 grand a month FROM YOUR CESTUI QUE VIE bond, whilst telling you that its taxpayers money, and the Chemo is the only option???? Doh.....Iv cured 10 people in 4 years as I mentioned above, with harmless intervention.

When I see the Magistrate/s, I will have many questions.....their jurisdiction comes from where exactly? They are also guilty of far far worse than my 'Non-existent' “Alleged Offences”....we will need to discuss these far worse crimes before we start talking about YOU constable 4278944 WEST assaulting me, I assure you.

Just to re-cap:

The upcoming lockdown will be for many reasons, all committed by the world's most loved and trusted in the community, government officials are the worst involved.....crimes such as Satanism, Paedophilia, Child abuse, torture, rape, human trafficking, Organ Harvesting, Medical Fraud, scientific fraud, religious fraud, geographical fraud, agricultural fraud, historical fraud, technological fraud, educational fraud.....10's of thousands of crimes.....

and you cunts think you can try and stitch me up with a load of pathetic nonsense??? So you back paedophilia? Fraud, & satanism?

Did I mention the scenario of cursing in a Graveyard...? I don't think I did?....If you were hypothetically speaking, in a graveyard, and the deceased had wronged you, and you visited the grave, and started cursing at it, all manner of expletives, openly.....there is NO Law being broken in

this instance.....unless someone overheard, then you could get arrested for breach of the peace.....but in a graveyard full of corpses.....and no 'alive' people about to hear you.....there's no issue with that, because there is no one to report it as a breach of the peace, because there s only dead people in earshot.....so obviously, you being a 'Corps-Orating' or a 'dead entity speaking'....working for a Corporation....YOU all “Died, Lost at Sea”, aged 15yrs & 9 months”.....and 'me', being the only 'Alive' Man/Being in any court room / Graveyard / Trust Meeting Room.....with the 'Mediator', being the magistrate, or judge.....I can tell you right now.....you can all go and fuck yourselves you fucking Traitors....all of you.....you absolute sell-out
TRAITORS.....YOU DESERVE WHATS COMMING.

The CPS have 14 regional offices in the UK, il be sending this letter to Each Office.....it seems that quite a few of you fools are still carrying on with the FRAUD that will see

you hang by the neck until dead, YOU DO NOT HAVE THE 33 Degree Freemassonic Back-up that you used to have.
rd many of

Your only 'choices' soon, will be: Firing squad, lethal Injection, or the Gallows.....

“Just doing your job” = “Nuremberg Trials 2.0” see you at the Gallows.

STAND DOWN YOU IDIOTS.

Many thanks & kind regards

"Don't worry Leon your don't have to go to court, and your not on bail, I just need a signature for your property mate"

And im still waiting for the footage I requested in the letter (a copy attached here in case you forgot?) If I do not get that footage before the 4th march....because I know what you lying scum cunts are like:

"oh sorry we lost it"....or..."oh sorry it wasn't recording" - "oh we have the footage but there is no audio...what a shame"

Get fucked, because if is have had a Shot gun in my pocket and I blew your fucking bottom jaw off with it at the custody desk.....PC 42 78944 WEST would soon produce the footage of it, so I don't wana hear no fucking bullshit REDGEWELL. Before we go to court, I want ALL The footage, with AUDIO. If you cant manage to send this before the 4th March, You can tell CPS If they want to speak to me on that day, that I will be in:

Colchester CO1 1SP, (Its next to Colchester Town Hall)

Il be there having lunch between 12 and 2pm on the 4th March, unless I get the
th footage
off you, then ill see you on the 4 March.

I will not be coming to the police station under those circumstances as yet another stitch up will certainly happen.....you LIE AS PART OF YOUR JOB..... I satisfied the parameters of the reason WEST stopped me.....a civil matter, that I dealt with with clean hands and a clear conscience.....WEST confirmed to me at the window that he'd seen my letter to the police, and the waste bin owner, regarding what I had done about it.....he smelt cannabis, so I was expecting him to search the van, find the cannabis and give me a caution.....you can see this in 'my' footage that I posted online: <https://www.facebook.com/reel/1594506608555164>

So I got out..... to be immediately assaulted by WEST....FOR NO REASON
WHATSOEVER....I WAS COMPLYING.... and you think you can lie to me to get my signature??
really??

You are off your fucking head REDGEWELL. I didn't even realise you lied to me until 2 days later!!

Your bullshit is not “Bailing” me you fucking mong – so, un-bail me of go fuck yourself.

Don't get me wrong....i want to have a court date...i got a lot to say to everyone in “Trust Meeting”.....especially the fucking dirty magistrate cunts . I AM VERY KEEN TO GO TO COURT..... But I need the footage first please REDGEWELL?

Many thanks, kind regards
(you dirty bullshitting cunt)

:Leon-George: Sinclair

I have had police lies about 'Other' evidence previously.....evidence that was 'MY OWN fucking recorded audio on a memory-stick.....in 2021 Clacton police refused to give me my own evidence

back, stating that it: “has now been downloaded and is now police property and you cant have it back”..... This evidence was part of a child abuse case.....and the police fucked me over with it..... They lied, same as you REDGEWELL, they only said that because 'My Evidence' their negligence.....YOU ARE ALL SCUM.

Go fuck yourselves.

Also, “Colchester Police”.....this needs addressing, while we are discussing Police Fraud...

PRIVATE AND CONFIDENTIAL SERIOUS CONSTITUTIONAL FAILINGS UNDERMINING
THE RULE OF LAW, WITH BEARING ON NATIONAL SECURITY AND MATTERS OF
OVERWHELMING PUBLIC INTEREST

Date: 18 November 2025 To:

- (1) The Lady Chief Justice of England and Wales (Baroness Sue Carr)
- (2) The Secretary of State for Justice (The Right Honourable David Lammy MP)

- (5) Commissioner of the Metropolitan Police Service (Sir Mark Rowley)

Re: CRN 6029679/21 - Proven Criminal and Constitutional Violations Connected to
Operation Talla

This correspondence brings to your notice and attention damning evidence of unlawful conduct, systematic concealment and constitutional collapse within policing, government and the justice system.

The evidence establishes beyond doubt that Crime Reference Number 6029679/21 was unlawfully shut down, outside all statutory frameworks and under the influence of a national command

structure which extinguished investigative independence across the United Kingdom. What follows is not speculation, suggestion, or belief. The evidence within our possession proves this.

CRN 6029679/21 - The Evidence Proves This Crime Report Was Never fully
Investigated in Accordance with Statutory Duties

The following facts are now beyond dispute:

- More than 400 victim, witness, expert and whistleblower statements were submitted.
- Not one victim, witness, whistleblower or expert was contacted.
- No investigative steps whatsoever were properly pursued in accordance with statutory requirements.
- The case was closed by Deputy Assistant Commissioner Jane Connors and Detective Superintendent Tor Garnett.
- The closure coincided exactly with national commands issued under Operation Talla.
- The Speirs Directive of 25 January 2022 explicitly ordered police staff not to accept or record vaccine related crime reports. This is established as fact through documentation held by Police Scotland, obtained via FOI and corroborated by multiple NPCC admissions. The crime report must now be re-opened immediately, in full compliance with:
 - the National Crime Recording Standard,
 - the Criminal Procedure and Investigations Act 1996,
 - the Code for Crown Prosecutors and
 - Article 2 ECHR obligations.

Failure to do so would compound the criminality.

2. Criminal Investigation Into the Unlawful Closure of CRN 6029679/21 As matters of fact, the following criminal offences have been committed:

- Perverting the course of justice

- Misconduct in public office
- Nonfeasance in public office
- Misfeasance in public office
- Assisting offenders
- Corporate and negligence offences These offences were committed by named senior police officers, Members of Parliament and regulatory officials.

The question is not “whether” these crimes were committed. The question is:

Why were these crimes committed and under whose authority? And specifically:

The evidence demonstrates a deliberate, coordinated pattern that cannot be reconciled with lawful policing or independent criminal investigation.

Right across the UK, there are very many victims of these crimes (both those reported in the case of CRN 6029679/21 and in consequence, also the crimes relating to its unlawful and unconstitutional closure).

These victims are entitled to remedy, redress and accountability and it is intolerable that these people have been and are continuing to be substantially ignored by those who have stood aside from their duties of protection.

3. [Operation Talla and the Speirs Directive](#) -

National Command Interference Established Why were all vaccine-related crime reports, including CRN 6029679/21, shut down under an unlawful national directive?

The evidence demonstrates a deliberate, coordinated pattern that cannot be reconciled with lawful policing or independent criminal investigation. Right across the UK, there are very many victims of these crimes (both those reported in the case of CRN 6029679/21 and in consequence, also the crimes relating to its unlawful and unconstitutional closure). These victims are entitled to remedy, redress and accountability and it is intolerable that these people have been and are continuing to be substantially ignored by those who have stood aside from their duties of protection.

4. [Operation Talla and the Speirs Directive - National Command Interference](#)

Established

The Speirs Directive, along with additional documentary evidence, proves that Operation Talla was not a “coordination framework” but a national command structure which:

- issued instructions on the advice of the NPCC,
- transmitted those instructions via UK Gold Command,
- unlawfully directed forces to suppress entire categories of crime reporting,
- operated across England, Wales, Scotland and Northern Ireland, ignoring devolved policing structures.

This is not conjecture. This is evidenced, documented and verified.

Police Scotland disclosed the directive in full. No English or Welsh police force has done so, because:

- they refuse,
- they obstruct,
- or they label lawful FOI requests as “vexatious.” The Police Scotland disclosure is the unfiltered directive. It directly contradicts public statements and sworn Covid Inquiry testimony by senior policing leaders.

4. Constitutional Collapse - Established by Evidence This matter now engages:

- the independence of policing across the UK,
- unlawful national command interference,
- systemic obstruction of criminal investigations,
- breaches of CPIA 1996,
- breaches of the duty of candour,
- breaches of Articles 2, 3, 5 and 6 of the Human Rights Act 1998,
- and the integrity of judicial decision-making.

The evidence proves a systemic collapse of constitutional safeguards and the rule of law. This is not expressed as possibility. This is a demonstrated reality.

5. Background - The Record Must Be Stated Clearly

5.1 Covid Inquiry The Covid Inquiry has repeatedly confirmed that criminal conduct falls outside its remit and must be reported to the police.

This was done.

The police refused to investigate because they were ordered not to.

5.2 Judicial Review

A Judicial Review was sought to compel a lawful investigation. The JR was refused. The appeal was refused. It is now proven that the Metropolitan Police:

- withheld reference to Operation Talla,
- withheld the Speirs Directive,
- withheld their CPIA obligations,
- withheld the fact that national instructions had shut down all related crime reports.

The Court ruled without the evidence it was entitled to.

The Police's omissions led to a judgment based on material non-disclosure, causing constitutional harm and obstructing justice.

5.3 HMICFRS Report - April 2021

The HM Inspectorate of Constabulary confirmed:

- the police misinterpreted government guidance as law,
- officers believed ministerial instructions were binding law,
- police acted as coercive agents of government. HMICFRS warned:

“The police must be seen to be enforcing criminal law, not to appear to act as the coercive agents of ministers.”

These findings are consistent with and reinforce, the documented national suppression of criminal reporting under Operation Talla. We must also add, that the House of Lords Constitution Committee, in June 2021, had then delivered a damning indictment of policing during the pandemic

[The 3rd Report by the Select Committee on the Constitution, of Session 2021–22 refers], stating unequivocally that:

“public health advice was incorrectly enforced by the police as though it were law.”

This is a formal parliamentary finding that UK policing acted ultra vires, unlawfully restricting civil liberties, violating Articles 5 and 6 ECHR and executing arrests and prosecutions without statutory basis.

The evidence we hold confirms that this same unlawful policing culture was not accidental but operationalised, expanded and enforced through Operation Talla, culminating in the suppression of criminal reports, including the unlawful shutdown of CRN 6029679/21.

6. How This Matter Now Needs to Proceed

Given the criminality, concealment and constitutional implications, this matter cannot be delegated to subordinates.

We require a direct response from each of you:

What steps will you now take and by what mechanism, to address these criminal and constitutional violations? A meeting must now take place. We will attend jointly to outline the evidence and for next steps to be confirmed.

Our evidential dossier cannot be provided in advance, for it to be reviewed prior to such a meeting. The dossier will be provided in person, at the meeting, to the appropriate constitutional office-holders.

7. Required Response

We now request that you:

1. Acknowledge receipt
2. Confirm your position and intended action within seven days of receiving this correspondence.

The gravity of these issues and their implications for constitutional stability, national security and the rule of law, requires immediate and direct action.

Every other avenue of reporting has been exhausted and involved institutions have simply engaged in a circular loop of non-accountability, which is why this current correspondence to yourselves is an essential step.

We await your response.

-----So....."Colchester Police".....

This is very very serious.....and you guys are still out on the streets enforcing Fraudulent Acts/Statutes, & Policies, I have had enough of police fraud. I want these two men who are impersonating "Police Constables":

PC 4278944 WEST

&

sgt 422574 REDGEWELL, **SUSPENDED**

IMMEDIATELY.

Why are they Fraudulent Acts/Statutes, & Policies?.....in case you are unaware.....?

Because after the 1 January 1973, when we were taken Unlawfully into the EEC, the Queen & Ted Heath committed 'High Treason', and should have been hung by the neck until dead.....but it was covered up for 32 years.....in a document that you can obtain yourselves: "FCO-30/1048" (Foreign & Commonwealth Office)

So ALL Acts/Statutes and Policy's, are by default: "NULL AND VOID" Also, anyone trying to enforce such Acts/Statutes & Policies, are Guilty of:

- Aiding & Abetting in a Treasonous act
- Trying to obtain money via deception
- Malfeasance/misfeasance/Nonfeasance in Public office.
- Gross Misconduct in Public Office.

You need to all take a step-back and reassesses what you are doing? because very soon the public will take a very dim view of your actions, the implications of which could be quite problematic, for you.

Look what your employment status is allowing.....please contact me as soon as possible
with the
footage I require before I visit Colchester police station on the 4 March, and also the answer to what is being done about:

CRN 6029679/21.

Many thanks & kind regards
